Congratulations! We have recently received a pregnancy report from your order # _____. Since this pregnancy is resulting from an Identity (ID) Options donor, as per the agreement originally signed at time of order, you **MUST** register the birth of your child with Cryogenic Laboratories, Inc in order for him/her to receive Identifying Information at age 18. **Merely using semen from the ID Options donor does not allow access to the Identifying Information. To ensure that the Donor's Identifying Information will be provided, you MUST complete the following information and return this registration form to Cryogenic Laboratories, Inc upon the birth of your child or up until they reach the age of 18. If you choose not to register your child, the donor will remain anonymous and your child will not be able to access identifying information once s/he reaches 18 or older.** The information provided below is confidential and will only be used when/if your child requests Identifying Information regarding the donor.
